

# Career Avenue Plans of Course Study

To receive a Pueblo City Schools high school diploma, students must meet the minimum course requirements.

- **Career Plus** - intended for students with goals and plans to obtain a 4-year or advanced
- **Career Options** - intended for students with goals and plans to obtain a 2- or 4-year degree or professional certification
- **Career Now** - intended for students who have specific academic requirements and need additional guidance for their course of study ; students may earn a professional certificate upon graduation
