

ICAP is a Roadmap

- What are my talents & skills?
- What careers exist that match my strengths?

- How do I pay for postsecondary education?
- Will this career meet my personal, social, & career goals?
- What exams do I need to take?

- What type of postsecondary training is required for this career?
- What courses in high school do I need to take to be better prepared for postsecondary education?

- How do I put my plan into action?
- What scholarships, applications, or work readiness do I need to have?
